

Important Care Before Shipping:

Proper handling of furs/skins prior to shipment to us is important. The final product will reflect the care you take in preparation. Ears should be turned; lips, nose and eyes should be split. Remove all flesh and fat, thoroughly salt twice and allow to dry. (Watch for curled edges.)

We do not accept air-dried hides. Do not send wet skins.

We have no control over the handling of any skin prior to receiving it, Improperly handled skins may not tan or the hair may slip, therefore, ***all tanning is accepted at owner's risk.***

Shipping:

Do not ship in plastic. Ship via UPS. Please include a packing list which can be obtained directly from us - or one can be printed from our website: kandktannery.net.

An acknowledgement will be sent upon receipt of your order. Please advise us immediately if there are any discrepancies.

Terms:

Unless C.O.D. is requested, an invoice will be mailed showing all charges. Shipment will be made upon receipt of customer payment. A 1 1/2% finance charge per month (18% APR) will be added to all accounts over 30 days. We retain the right to sell any tanned skins in our possession 90 days after initial billing. All returned checks will incur a \$35.00 charge. Major credit cards accepted.
